

Module 01: SQAP version 0.1.0

Teamwork Analysis

Team Members: Kaleb Schauerhamer, Gilber Chen, Sunny Yeung

Kaleb Schauerhamer:

- Created the initial title page, table of contents, and table of figures pages
- Assisted in the team understanding of the scope of the assignment
- Wrote the Scope and Purpose for section 1
- Wrote 3 acronyms for section 2
- Added fictional document for section 3
- Helped with consistent document formatting

Gilber Chen:

- Edit the content page and content link
- Added all initial IEEE requirement sections and formatting.
- Expanded on initial page formatting
- Provided a SQAP reference for the team

Sunny Yeung:

- Filled the table of contents page
- Created the table for the table of figures page
- Wrote the definitions for all terms in Section 2, Definitions and Acronyms
